

Report of Independent Registered Public Accounting Firm

To the Shareholders and Board of Directors of Americas Gold and Silver Corporation

Opinion on the Financial Statements

We have audited the accompanying consolidated statements of financial position of Americas Gold and Silver Corporation and its subsidiaries (together, the Company) as of December 31, 2021 and 2020, and the related consolidated statements of loss and comprehensive loss, changes in equity and cash flows for the years then ended, including the related notes (collectively referred to as the consolidated financial statements). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021 and 2020, and its financial performance and its cash flows for the years then ended in conformity with International Financial Reporting Standards as issued by the International Accounting Standards Board.

Substantial Doubt about the Company's Ability to Continue as a Going Concern

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the consolidated financial statements, the Company has reported net losses from operations, including inventory write-downs and impairment to property, plant, and equipment, and has stated that substantial doubt exists about the Company's ability to continue as a going concern. Management's evaluation of the conditions and events and management's plans regarding these matters are also described in Note 2 to the consolidated financial statements. The accompanying consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.
